2003	\$493,800
2004	\$532,200

Business interests must comprise at least 35% of the adjusted gross estate to utilize §6166.

Only estate taxes attributable to business interests may be deferred.

A portion of the deferred taxes gets to use a 2% interest rate (the table above). The balance of the deferred taxes pays a market rate of interest determined by the IRS on a quarterly basis.

(Information obtained from the IRS)
